Jeffrey Waegneer

Kerkskenhoek, 9450 Haaltert * 0472284393 * Jeffrey_waegneer@hotmail.com

Profile

Date of birth: 28/03/1997
Place of birth: Aalst
Nationality: Belgian
Driving license: European driving licence B

Personal Goals

I am a programmer with a strong focus on quality and time efficiency. I love to work in teams where everyone has their own responsibilities and is able to develop themselves. I care for a transparency in communication. My goals are to further develop myself in my area of expertise and to commit myself to produce high quality software.
